

Play Girl's Rugby at Brothers Rugby Union Club in 2020!

Welcome to the 2020 Girl's Rugby season at Brothers. After a fun and successful season in 2019 we are back bigger than ever in 2020. Rugby 7's is a growing sport and we want to keep building and strengthening our Girls Rugby 7s and 10s program at Crosby Park. This year we will again look to have teams in all age groups – under 11, under 13, under 15 and under 17 and would love you to be part of it!

Brothers Rugby Club provides an inclusive women's rugby program that seeks to foster participation and fun as well as supporting any girls keen to take their rugby ambitions further!

Whether you have played before or are interested in just coming down and finding out more, we would love you to come and try Brothers.

We have experienced coaches and provide a safe and supportive environment for girls to learn the rules and techniques of rugby 7s.

Our first session for 2020 is Friday 7 February – new players, all ages, skills and abilities welcome. There will be an opportunity to ask questions and find out more about the BJRU season and also how to register!

We look forward to meeting you and welcoming you to the Brothers Rugby community.
