What: Brothers Touch Association want to provide a fun learning experience for our future Touch stars! Our Junior competition starts at under 10's, however we all know that the eager ones are already playing with a footy much younger than that! Get them along to our Little Touchies 8-week program to take part in our skills/drills and game play sessions. The sessions focus on skill development, having fun and making friends and are run by some young, fun and talented coaches.
