

BROTHERS RUGBY CLUB

2023 U12 & U13

PROGRAM INFORMATION

We are excited about the upcoming 2023 rugby season and look forward to welcoming new players and families, as well as our returning players and families.

The BJRU competition structure for these age groups is a full two term season (Terms 2 and 3).

We are committed as a Club to ensuring your child can continue developing their skills and love of rugby with Brothers. In 2023, we have a number of measures in place to allow players flexibility to participate in their teams based around other school and sporting commitments (eg larger squad sizes).

It is important to us that we allow a connection to be maintained between the Club and players in these age groups so please contact us if you have any queries or concerns.

CLUB CONTACTS

For any queries you may have about the upcoming season, we have several people you can contact.

- Age Group Coordinator – TBC
- Registration Queries – Karen Nichols karen@brothersrugby.com
- Junior Development Coordinator – TBC

The Role of our Age Group Coordinator is to liaise and act as the interface between the teams (and their Managers) and the Club. During the season, your first point of contact for all queries should be your team manager.
